Listening: *What makes a good friend*

Gap-fill exercise

Get in one's Face= to annoy someone
To Hang Out= to socialise with friends

Hey! everybody needs a few good friends. Some people can't even _____ on their own families to be there for many more these days, but a good friend can make up for anything. A good friend knows how to listen and _____. A good friend knows how to walk alongside you when you're _____ and going through tough times and a good friend also knows how to get in your face when they need to; they know how to call you out on things and help you _____ that you can become so much _____ than what you already are.

My best friend and I've gone through a lot of _____ stuff together. We've been _____ ever since college and even though we live in different states we do the best we can to stay in _____. We use email and cell phones to _____ on a regular basis and we also do our best to actually get _____ as often as possible just to _____ out, share our lives with one another. Believe me! We've had plenty of tough times we only had to get in in each other's faces but we've also had many opportunities to have some fun as friends, just _____ out. Having a few good friends, very important thing in life, but in order to have friends, you also have to learn to be a friend. Any _____ takes time. A good friendship means investing yourself in another person. Are you _____ to be that kind of friend?

I hope so because it can make all the difference in the _____.

KEYS

Hey! everybody needs a few good friends. Some people can't even **COUNT** on their own families to be there for many more these days, but a good friend can make up for anything. A good friend knows how to listen and **ENCOURAGE**. A good friend knows how to walk alongside you when you're **HURT** and going through tough times and a good friend also knows how to get in your face when they need to; they know how to call you out on things and help you **BELIEVE** that you can become so much **BETTER** than what you already are. My best friend and I've gone through a lot of **TOUGH** stuff together. We've been **FRIENDS** ever since college and even though we live in different states we do the best we can to stay in **TOUCH**. We use email and cell phones to **TALK** on a regular basis and we also do our best to actually get **TOGETHER** as often as possible just to **HANG** out , share our lives with one another. Believe me! We've had plenty of tough times we only had to get in in each other's faces but we've also had many opportunities to have some fun as friends , just **HANGING** out. Having a few good friends, very important thing in life , but in order to have friends , you also have to learn to be a friend. Any **FRIENDSHIP** takes time . A good friendship means investing yourself in another person. Are you **READY** to be that kind of friend? I hope so because it can make all the difference in the **WORLD**.
